

Delaware County District Library

Public Records Policy

The Delaware County District Library has a public records policy adopted pursuant to O.R.C. 149.43.

Records and Public Records are defined respectively in R.C. 149.011(G) and 149.43(A)(I)

Public records are available Monday through Friday during regular Library hours, excluding legal holidays.

For assistance in reviewing public records and/or obtaining copies of public records, please contact the Library records custodian:

Director Bryan Howard
at
(740) 363-7277

Public records will be promptly prepared and made available in a reasonable period of time.

If a public records request requires research and/or review, you will receive a written response and/or the records within a reasonable period of time.
