What you need to know:

- **Are you eligible?** Benefits are available to employees who are actively at work on the effective date of coverage and working the minimum number of hours per week stated in the contract.

- **Your premiums and benefits may vary.** Actual premiums and benefit amounts will be calculated by OneAmerica and may change upon reaching certain ages, according to contract terms, and are subject to change. Volumes and benefit amounts shown may be subject to reductions due to age.

- **Enroll timely for guaranteed issue coverage.** You may be eligible for coverage without having to answer any health questions if you enroll during the initial enrollment period when benefits are first offered by OneAmerica®, or if you enroll as a newly hired employee within 31 days after any applicable waiting period.

- **Enrolling later requires approval.** If you decline coverage now, you will lose your only chance to apply for group insurance coverage without having to first undergo medical underwriting. If you decide to enroll later, you will need to submit a Statement of Insurability form for review. OneAmerica will then decide to approve or deny your coverage based on your health history. You may not be approved for any type of coverage at a later date if you have any current or future medical conditions.

What you need to do:

- **Carefully review the contents of this packet.** Enclosed is personal information about the benefits offered to you by OneAmerica on behalf of your employer. This is your opportunity to learn more about group insurance from OneAmerica, but it is not a complete explanation of benefits. For more information, consult the contract about exclusions, limitations, reduction of benefits, and terms under which the contract may be continued in force or discontinued.

- **Submit your enrollment form.** Please return your completed enrollment form to your employer.

Protecting Your Loved Ones — No Matter What

“Will my loved ones be OK when I’m gone?” It’s a difficult question to ask yourself, but an important one all the same.

If you were to pass away unexpectedly, how would your loved ones cope financially? Would they be taken care of? Or would they find themselves struggling to make ends meet while still in the midst of their grief?

**A Growing Gap for Families**

Across the country, American families face a growing insurance gap. In early 2020, 46% of U.S. adult consumers didn’t own life insurance. Yet, 44% also stated that their families would begin to feel the financial effects within six months of a primary wage earner passing away — and 28% would do so within just a month.¹

But life insurance isn’t just about protecting your loved ones in the short term. It can also be a way of providing for them for decades to come, by keeping them on track for their long-term goals, whether they be college education, home ownership or even retirement.
